ANNOUNCING

2018 Student Demo & Poster Day

Sponsored by the GSU Dept. of Computer Science, ACM and IEEE.

Friday, April 20, 2018
1:00 to 4:00 pm
25 Park Place, 2nd Floor

Undergraduate students of the Computer Science Department will demonstrate their latest projects related to tangible computing. Come see students in the Robotics, Human-Computer Interaction, Embedded Computing, and other Computer Science courses. This event is open to GSU faculty, students, and the public. Refreshments served.
