2018 Student Demo & Poster Day
Sponsored by the GSU Dept. of Computer Science, ACM and IEEE.

GSU Undergraduate students of the Computer Science Department who are working on a project related to tangible computing. You will demonstrate a prototype or a poster, alongside students in the Robotics, Human-Computer Interaction, Embedded Computing, and other Computer Science courses.

GSU Faculty and students are invited to attend, so this is a great opportunity to show your work and see what other students are up to.
