

Session Outline

1. Determine the goals of your feedback.

2. Goals of Feedback determine...
 - The instructor role you take on when responding
 - The kinds of feedback you give
 - The timing of the feedback

3. Practical considerations
 - Your time
 - Consistency
 - Your state of mind
 - Students' feelings

4. Student response
 - Tell students your intentions by providing feedback.
 - Tell students how to read your feedback.
 - Tell students what to do with the feedback.
 - Ask students for feedback on your feedback.
