**2013 through 2018**

**ASSOCIATE-BACCALAUREATE PROGRAM ARTICULATION  
AGREEMENT**

**between**

**Delaware Technical and Community College  
and  
University of Delaware**

**for  
Nursing**

**AGREEMENT**

**WHEREAS** Delaware Technical and Community College, and the University of Delaware are committed to expanding educational opportunities for the citizens of the State of Delaware, and

**WHEREAS** the two institutions are committed to providing a smooth transition for students wishing to earn an associate degree and a baccalaureate degree, and

**WHEREAS** the intent of the two institutions is to avoid duplication of curricula where appropriate within articulated programs of studies, and

**WHEREAS** the two institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

**BE IT HEREWITH RESOLVED** that this agreement commits the partners to full support of an articulation process between similar academic programs offered by the two institutions.

## PROVISIONS OF THE AGREEMENT

1. This program articulation agreement applies to the Delaware Tech Stanton, Owens, and Terry Campus Associate Degree Programs in Nursing and the University of Delaware's Baccalaureate Degree Program for the Registered Nurse (RN to BSN).
2. The institutions agree to follow the joint program curriculum and course by course articulation delineated in this document.
3. Both educational institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.
4. Graduates of the Delaware Tech programs who have completed the Associate Degree with a cumulative grade point average of 2.5 or higher and passed the NCLEX exam will automatically be accepted into the RN to BSN program at the University of Delaware.
5. All articulated course credits earned with a C or better will be accepted for transfer according to the University of Delaware program matrix.
6. Students intending to transfer should apply for admission by completing the online application for the University of Delaware following the completion of their associate degree program. The application can be found at [www.udel.edu/nursing/undergraduates/directions.html](http://www.udel.edu/nursing/undergraduates/directions.html).
7. Students are subject to all the policies and procedures of both institutions.
8. Students are subject to all specific policies pertaining to students admitted to the Baccalaureate Degree Program for the Registered Nurse (RN to BSN).
9. This articulation agreement is based on the present curricula contained in this document and it is effective for a five-year period from 2013 to 2018.
10. Both institutions at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes. The senior institution will make a good faith effort to honor the articulation agreement in effect at the time a student is admitted to the Associate Degree Nursing Program.
